PROCEEDINGS

Pantego, N. C., Tuesday, October, 19, 1926

According to the decision of the last session of the Goldsboro and Ral- (District) and Washington Norfolk District Annual Assemblies, the rth General Assembly convened with Weeping Mary Church of Christ 'antego, N. C., on the above mentioned date, Elder Noah Boston, Pastor. 10:30 a. m., Chief Elder W R. Steeley made some timely remarks re- ting the value of time and that no time should be squandered. Chief ley lined hymn No. 147 "Did Christ O'er Sinners Weep" anad read a scripture lesson 1 Cor. 2nd chapter. Elder C. R. D. Whitfield offer- a very fervent prayer, then Chief Steeley led "O, for a closer walk God."

Elder J. H. Smith and Elder L. W. Tillett who were appointed to the e to officiate were present. Elder J. H. Smith sang "And are we yet e" and introduced to the congregation Elder L. W. Tillett who preach- an excellent guide sermon from the text "Let your light so shine be- men that they may see your good works and glorify your Father ch is in heaven," St. Matt. 5:16. Elder Smith closed the sermon and nded an invitation to those out of Christ.

Elder S. L. Loftin was presented to solicit a collection and the amount $9.00 was realized.

Chief Elder W. R. Steeley of the Washington and Norfolk District le his annual address as follows:

Brethren: Through the kindness ,mercy and love of God, we have in the Fourth General Assembly, which was ordered and consented to both Districts, that we should meet in a General Assembly every four rs and that the boundafy of each would be: The Easten Assembly n the East side of Tar River, embracing Washington and Norfolk, Va., would be known as the Washington and Norfolk District. The West- District from the Western side of Tar River to Raleigh, embracing eigh. N. C. In accordance to the agreement, we have been meeting a General Assembly every four years. We can only contribute our ting here to the mercy of God. How our hearts rejoice to be allowed meet each ther and grasp our hands in greeting, which if from the t means so much (and especially our Western brethren, as we only e this opportunity once every fou years.) Thank God for that.

Now. this being the Fourth General and the Fifty-Second Annual ting of the Disciples of Christ (Colored) Eastern North Carolina and ginia, I can only speak respecting this, our Eastern District, as our espondence with the Western brethren have been very, very small the last twelve months, but thank God we are here face to face one e time.

In beginning my report for the year, first we feel thankful to our ator and God that He has dealth so kind and merciful to us, only one

has been taken from our ranks viz, our beloved Elder J. J. Ellis was killed by his automobile soon after our last Assembly. I hav heard of any other deaths among our Ministerial ranks.

Thanks to God, we have not had any occasion to call our C together this year. I've heard of no disturbance among our bi preachers and churches. All have gone along smooth so for as I thang God.

I made one visit to Pantego to view the work on the school which is under the supervision of our good Bro. George Godley ar son Alfonza. I believe that they have done their best to the inter the interest of the Assembly, To which we will hear their report called for.

Now, regarding the property of the late Elder W. A. James, w Council met at Roper in a joint union, there we met Attorney Bell told us that the said property would be sold at public auction on Oc 4th at 12 m. I notified some of the Councilmen to meet at Plym on that date. Elder Noah Boston met me there. The property was sold. We had Bro. George Smith to big for the Assembly, which knocked off to the Assembly for the sum of one thousand dollars. torney Bell instructed us that the bid would stand open for ten day if no one raised the bid during that time, then a deed would be to the Assembly.

Now Brethren, I have practically the same recommendation a year. Brethren, friendship and business are two separate things. object should be strictly business. Let us profit by the past ages. F ship should not be our object, but compentency.

We met in a joint union at Roper, N. C., in September and inve ed some matters and adjusted them best we could. A statement w made respecting the matter during this sitting. All money tha avaliable was given over to the Banking Committee and they dep the same in the National Bank at Washington, N .C., to which th cretary will make his report at the proper time.

I also recommend as I did last year, that in this General Sitting we adopt a rule that the Chief serve from two to four years before out-of-office or re-elected. One year is not long enough fo to do anything worth while.

I am sorry that I was not able to meet with our beloved s in their mass meeting. I recommend that we Ministers pay more tion to helping these working sisters. This year the women of Ro Baptist Association raised over twelve hundred dollars. Our wome do the same if we will help them.

I recommend that during this sitting, we suspend preaching i day and continue business.

If any of the neighboring houses of worship should open their to us, we can send a minister there, but let us continue busines have preaching at night.

Now, respecting the joint union held at Roper, N. C. Our obje only object was to have some understanding with our brother min along some special lines. The East Albemarle met promptly. The Albemarle also, but the Hyde Union seemed to be somewhat distr I have learned since, that some of their leading preachers had n that we had called the unions together to confiscate their money ar vised the preachers and churches not to represent. To which the I really think preachers, especially should ought to know what th doing when they are advising the people. By the Hyde Union n presenting, made a little hitch. I can't think that they altogeth in line.

Now, respecting the loss and death of our beloved brother, J. J. undoubtedly we shall miss him in our ranks, but as one of old said Lord giveth and the Lord taketh away, blessed be the name of the We hope to meet him in that better land.

Now brethren. let us ask the Divine guidance of Almighty G guard us through this great meeting, for without Him, we can do ing.

Conclusion, I have done my very best, this and last year as servent, acting as your executive head. I have heard of some grum and fault-finding. Some said that I took up too much time and said that my little education had turned me a fool, and so on. no attention to that. I find a old French proverb "The tree that the croicest apples you will find the most clubs in its limbs."

I have not aspired for any office as Chief and never have. Since the people saw fit to place me in the office, I have gone forward to do my duty the very best I could. I have not lectured or met and asked any brother or sister who are you going to have for Chief.

All this I humbly submit to your consideration.

Again, I will admonish you to let that loving hand of God guide us in this meeting and be guided by the rules that we have made as you will find by consulting our minutes.

Respectfully,
W. R. STEELEY
